For 137 years, the Aberdeen Area Chamber of Commerce has been leading the way to a better Aberdeen region. We do this by convening innovative leaders, collaborating with like-minded organizations, advocating for positive change, and helping small businesses grow. We are guided by four key principles as defined by the Board of Directors and outlined in the 2021 Program of Work:

Membership Service

The Chamber will deliver programs and provide activities that increase and retain Chamber membership and add measurable value to Chamber membership investments.

- Coordinate seminars and/or webinars that help members adapt post-covid and to improve overall business performance
- Offer meetings and events in person and through zoom to allow for greater participation
- Expand the number of EDGE events to assist members with employee retention
- Enhance communication of Chamber benefits, programs, meetings and events through social media platforms for maximum reach and effectiveness
- Conduct and continually improve events, programs and communications to maximize member benefits and increase attendance

Community Collaboration

We will champion our community's successes and support issues and opportunities that will improve our community's quality of life while enhancing the growth and development of our region.

- Assist in the development of a strategic plan that encompasses efforts of the Chamber and other community organizations in order to better serve the Aberdeen area
- Develop new Aberdeensd.com website and further implement new Aberdeen branding
- Expand shop local and #LIVELOCAL57401 marketing strategies and efforts
- Work with area Human Resource professionals on recruitment, relocation and engagement of new workforce
- Work with regional educators to develop and retain a workforce that contributes to the local and regional economy

- Implement events and awareness to promote our manufacturing base during October 2021
- Continue support of programs and initiatives that result in improving the health of area citizens and that instill community pride
- Assist in programs and efforts aimed at addressing racial and diversity tension within the community
- Continue support of regional opportunities including 1 Million Cups, the Malchow Plaza, Big Idea Competition, Leadership South Dakota, etc.

Regional Advocacy

As a significant voice for business, we support local and legislative policies and practices conducive for a thriving business community and local economy and oppose those that are not.

- Keep membership educated and informed on issues, particularly during South Dakota's legislative Session, via Progress articles, email announcements, Legislative Cracker Barrels and calls or meetings with legislative and national delegation
- Work with the advisory committee to monitor issues and activities at the local, state and federal government levels
- Actively support issues and initiatives that advance the most pro-business environment possible

Organizational Strength

We continuously work to evaluate our organization and its events, efforts, programs, and committees to meet the needs of our membership and the community.

- Execute a comprehensive retention program that improves existing efforts and increases one-on-one engagement with members
- Redesign Chamber website to make it more user friendly and easier to navigate
- Work to remodel current office space to allow for better workflow and a virtual boardroom that can be used by the community
- Continue evaluation of the dues structure and membership benefits
- Implement quarterly membership surveys on advocacy committee issues, membership benefits, etc.

Chamber Committees

In an effort to increase volunteer engagement and outreach to our Members, the Aberdeen Area Chamber of Commerce has eleven volunteer committees. Any employee of a member business is welcome to join any committee (unless noted) without any obligation, and the level of participation is up to each participant.

Advisory Committee

This team of 5-8 individuals evaluates local, state, and national issues and what effects they have on Aberdeen businesses and the community. The group reports to the board of directors every other month so the board may make proactive decisions. Participation on a nomination basis.

Agribusiness Committee

Jamie Goetz, Farm Credit Services of America

Purpose: The mission of the Agribusiness Committee is to promote agriculture as a major segment of the local economy, to address and educate the membership on issues important to agriculture, to unite and network groups through ag-related programs and events, and to recognize outstanding achievements in agriculture. The Ag Committee facilitates the following annual events:

- Ag Appreciation Banquet – This banquet is held each January to show appreciation to area farmers and ranchers.
- Ag Fair – The fair, held each April, is designed to educate 4th grade students from around the area on farm products, livestock, farm safety and more.
- National Ag Day – Capitalizing on a national movement, each March the Ag Committee creates special events in the community to bring awareness to National Ag Day and the importance of agriculture in our daily lives.
- Field to Fork: A Farm to Table Connection – This elegant, educational outdoor dining experience showcases local ag producers and how they grow the food that reaches our tables. A five course, chef-prepared meal is served as diners interact with farmers and learn about modern farming practices. This is a partnership with Avera Foundation supporting their Farm & Rural Stress Hotline.

The Ag Committee meets the third Thursday of each month at noon at the SDSU Extension Office.

Ambassador Committee

Dr. Trisha Waldman, Presentation College

Purpose: The mission of the Committee is to promote a positive community image and serve as goodwill ambassadors at Chamber and community functions such as ribbon cuttings, new business openings, ground breakings, business relocations, and other networking events. Committee selection is done on a nomination basis. The Ambassadors also host:

- Community Champions Awards Luncheon – Held each February, the luncheon recognizes community leaders for their work in making our city and surrounding region a better place to live, work and play.

The Ambassadors meet the second Tuesday of every month at noon at various locations.

Diplomat Committee

Taylor Wensmann, Midstates Printing

Purpose: The mission of the Diplomat Committee is to strengthen membership engagement and retention by visiting current members and facilitating communication to and from members, helping to identify member concerns, and garnering support for the Chamber. Committee selection is done on a nomination basis. The committee also coordinates the following:

- ABBY Awards – The Diplomat Committee hosts this annual banquet in September.
- Split Pot – The committee sells split pot tickets at Business After Hours to raise funds for a scholarship for a Diplomat to attend the Leadership Program.

The Diplomats meet the second Thursday of every month at 3 pm at the Chamber.

Enhance Aberdeen

Lisa Anderson, Aberdeen Area Chamber of Commerce

Purpose: The purpose of the Enhance Aberdeen Committee is to coordinate projects that serve to beautify the community and enhance our quality of life; educate the public on related issues which affect them such as regulations, codes, and new efforts; and to recognize and promote business and community development projects, including:

- Free Spring Residential Cleanup – In conjunction with the City of Aberdeen, Dependable Sanitation and the Brown County Landfill, this committee assists the annual free cleanup the last weekend in April, allowing local residential citizens to drop off unwanted items at two locations in Aberdeen.
- Holiday Lighting Contest – Local businesses are encouraged to decorate with lights and other decorations for the holiday season. Judging takes place the first week of December and the winner receives a prize package plus a traveling trophy.

The Enhance Aberdeen Committee meets the first Friday of every odd-numbered month at 9 am at The Workshop.

Health & Wellness Committee

Jessica Rehder, Primrose Retirement Community

Purpose: The mission of the Health & Wellness Committee is to implement business-healthcare partnerships and programs to promote workplace wellness and inspire healthy lifestyle choices through education and initiatives. The committee also coordinates:

- **Senior Directory** – This annual publication is a resource for the older generations in our community. Useful information on health, finances, activities and more can be found in this guide which is placed around town in a printed version and can be found online at aberdeen-chamber.com.
- **Wellness Symposium** – Held each June, this event addresses a different health topic each year (cancer, Alzheimer's, etc.). A panel of experts from various sectors of the healthcare community speak about different aspects of the annual topic. This event is free and open to the public.
- **Dementia Friendly America-Aberdeen** – In 2019 the Health & Wellness Committee, assisted by local residents, created an action team that applied to be a Dementia Friendly America community. Aberdeen was the first city in the state to receive this designation.
