The witch of blackbird pond quiz answers. In the witch of blackbird pond answers.

1. Why does John Holbrook travel to Wethersfield? John Holbrook comes to Wethersfield to learn from Dr Bulkeley, a well-known minister with great knowledge of religion. 2. Why do the Woods think Kit should be a boy? The Woods wish Kit were a boy because Matthew Wood requires assistance on their farm, and they also miss having a child due to the loss of their previous one. 3. Why does Kit jump into the water when the Dolphin arrives in Saybrook Harbor? Kit jumps into the water to save the wooden toy Prudence Cruff dropped; she is also kind-hearted and doesn't think much of the water from her homeland where everyone can swim. 4. What motivates Matthew Wood to accept Kit into his home? Matthew accepts Kit due to a sense of duty, believing family should be supported regardless of difficulties or inconvenience. 5. Why does William Ashby want to marry Kit? William Ashby wants to marry Kit but doesn't truly love her, seeming drawn only to her appearance and lacking concern for what she thinks. Kit is struggling to adjust to her new life in the Puritan community after being accused of witchcraft and eventually put on trial. She tries to adapt, but it takes time for her to understand what society expects of her. The problem is solved when Nat Eaton returns with Prudence, proving that Kit was teaching her to read the Bible, not practicing witchcraft. This clears Kit's name, and she is freed from all charges. # The main conflict in "The Witch of Blackbird Pond" is Kit's struggle to fit in with her new family and community. She has a hard time accepting their values and customs, which leads to internal conflicts. The problem is resolved when Nat proves that Kit was teaching Prudence to read the Bible, not practicing witchcraft, clearing her name and freeing her from all charges. # At first, Kit is self-righteous and sure that her way is the best. However, as she grows throughout the novel, she starts to think about others' values and opinions. She learns to respect others and makes decisions based on caring for them, not just her own indignation. This internal growth allows her to make a decision to save Hannah Tupper, showing that she has truly changed. # Kit's true freedom comes when Nat returns with his own ship. They are in love, and he plans to marry Kit and sail around the world together. This will allow Kit to live the life she wants and be free from the restrictive Puritan society. She's aware of the potential costs her actions might have on herself and her new family, and she's willing to accept those consequences. Her Uncle's support at this critical moment helps solidify changes in both her and him. By the novel's end, Kit has evolved into a young woman who can understand others' perspectives instead of just reacting to them. Last Updated on October 4, 2024 What is the solution to the problem in The Witch of Blackbird Pond? The conflict revolves around Kit finding and integrating with her aunt's family. A young woman of her age cannot live independently. When her grandfather passed away leaving debt, Kit faced the prospect of marrying an older man she didn't love. She knew her mother had family in the colonies and sought them out. Through a difficult adjustment to life in a Puritan colony with an unwelcoming family, Kit gets entangled in witchcraft charges. She finally fits in with her aunt and uncle's family when she nurses her cousins through a dangerous illness. Uncle Matthew accepts and even cares for Kit as she adjusts to a vastly different lifestyle from the one she was raised in. During the trial, her new family is supportive. When she's cleared of the charges, Nat (the captain's son on the voyage from Barbados) expresses his desire to marry Kit. She now has a loving family and a fulfilling future ahead. Last Updated on October 4, 2024 Are all problems solved during the trial in The Witch of Blackbird Pond? The trial scene, which occurs in Chapter 19 of this excellent novel, certainly represents the climax that the rising action has been building towards. Kit finally faces the witchcraft accusations head-on and the fortunate appearance of Nat and Prudence, along with her first public reading, is enough to demonstrate the falsity of those accusations. Additionally, Goodman Cruff stands up against his shrewish wife, Goodwife Cruff, out of pride for what his daughter has achieved. However, one crucial issue remains unresolved - the nature of Kit's relationship with Nat.
